Re: Water Main Extension of the Hyattville Service and Improvement District (HSID), in the community of Hyattville, Big Horn County, WY.

Dear Mr. Brough:

The Hyattville Service and Improvement District has reviewed and approved the plans for the construction of a water main extension of our system. The area we have reviewed is in Phase 1 of the "Paint Rock Crossing Subdivision", also known as the "Blue Hills" portion of this subdivision. This water main extension will provide 7 additional taps to future homes in the "Blue Hills." We have already sold these taps to John Alm.

We have reviewed and approved the plans, and our system has the capacity to serve these additional 7 taps. If you have any additional questions or concerns, please feel free to contact me at my e-mail: [hri@tctwest.net](mailto:hri@tctwest.net) or my regular mail at:

ATTN: Keith Hamilton  
HSID  
PO Box 105  
Hyattville, WY. 82428

Thank you,

Keith Hamilton for the Hyattville Service and Improvement District.
